

we care 4 – NEWSLETTER

Dear donors, sponsors, members and friends

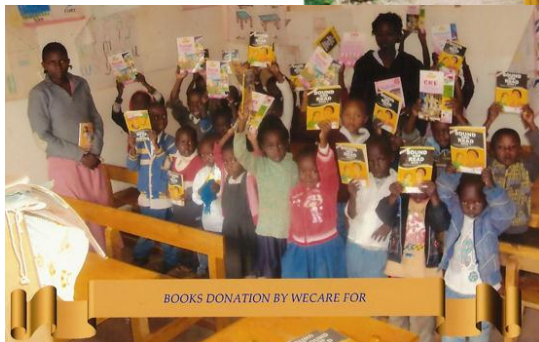

The benefit ball from June 2011 has been very successful thanks to the marvellous organization of Juvenilia. Not only the proceeds of CHF 16000 is fantastic, the whole organization has been splendid: the kids fashion show, the auctions, the decorations, the excellent food, the great music of DJ Ändu and the live singing of Nubya, as well as the exuberant atmosphere. Again, a hearty thanks to all Juvenilia members.

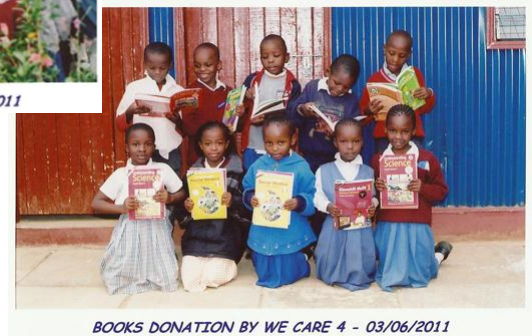

The proceeds will be used to build a well at the **Barbara Jasinska Rise and Shine Academy (BJRSA)**. We are negotiating with local building companies to reduce the once offered price of CHF 30000. We are confident to be successful and to be able to start works soon.

In our last NL we have reported about the donation of schoolbooks for BJRSA and how happy they were about it. Here a few pictures.
